Post Graduate Diploma in Journalism and Mass Communication (PGJMC)

**School of Journalism and New Media Studies
Indira Gandhi National Open University
Maidan Garhi, New Delhi—110068**

Dear Learner,

Welcome to the IGNOU family. Through this programme of Post Graduate Diploma in Journalism & Mass Communication (PGJMC), you have chosen to become an important entity of one of the largest mega Universities in the world and the only national ODL University. As you are well aware, IGNOU offers educational programmes through Open and Distance Learning (ODL) mode. For a lot of our learners, this might be a repeat experience. They like to keep coming back to us for upgrading their skills and enhancing their knowledge for meeting their professional needs. But it is also a possibility that this is your first ever experience in distance learning. This programme guide is designed to give you an overview of how the Open and Distance learning operates and how this programme will be transacted. We, as distance teachers, may be physically at a distance from you but as far as the teaching- learning activity is concerned we shall always be with you in the form of your study material – print or online and through other student support services.

To start with, read this ‘Programme Guide’ thoroughly, keep it handy and refer it as and when you have any doubt about progressing further in this programme. This will facilitate your ease of use of programme related activities and help you participate better in your teaching learning transactions.

In the course of your journey, you will notice that an ODL university like IGNOU is a university with a difference. Unlike conventional universities/institutions where teaching and learning takes place mostly through face to face mode, IGNOU adopts a blended approach to facilitate teaching-learning activities. You will find that the self-learning material which may be printed or in digital form is the main medium of instruction which is supplemented with audio and video programmes, teleconferencing and interactive radio counseling sessions. Also there are practical sessions which will give you hands on experience on the applicability of the concepts you learn in this programme. Further, you will also benefit from contact sessions organised at the Study Centre. Besides these, the assignments submitted by you will be evaluated (the score of the assignments make up for 30 percent of the total marks you earn in a course). Thus, these multiple modes will provide you diverse opportunities for interaction as well as facilitate smooth progress through the programme.

PGJMC programme provides you a comprehensive exposure to various aspects related to Journalism & Mass Communication to equip you with necessary knowledge, skills, attitudes and competencies.

The information presented in this Programme Guide, will help you in organising your study in a systematic manner with respect to various components and stages of the programme. This Programme Guide provides you important information about the programme as whole, viz., Its objectives, structure, mode of delivery, programme schedule, counselling sessions, assignments, evaluation etc. It is expected that you will preserve this programme Guide till you complete the programme as this Guide will help you clarify your doubts at different stages during the course of your academic journey through this programme.

Happy Learning!

Dr. Shikha Rai
Programme Coordinator

1.0 THE UNIVERSITY

Indira Gandhi National Open University (IGNOU) was established in September 1985 by an act of Parliament with a view to democratize education so that it covers large segments of population, vocations and professions. The primary emphasis is on innovation, flexibility and cost effectiveness. Thus, it is a University with a difference.

The major objectives of the University are to:

- promote the educational well being of the community;
- democratize higher education by providing easy access to all those who desire to improve their qualifications, skills and competence by taking education to the doorsteps of people living even in remote areas;
- disseminate learning and knowledge through innovative multi-media teaching- learning system;
- provide high quality education at all levels; and
- coordinate and determine the standards of Distance Education and Open University Systems throughout the country.

IGNOU offers various academic programmes that lead to certificates, diplomas and degrees. It develops and produces courses for delivery through open learning and distance education modes. IGNOU is also actively involved in research, training and extension activities. It coordinates and monitors distance education system and provides expertise to other Open and Distance Learning Institutions.

The salient features of distance education system are:

- Study according to your own pace and convenience;
- Study at your own chosen place;
- Flexibility in choosing courses and combination of courses for a wide range of disciplines/subjects;
- Use of modern and appropriate educational and communication technology.

The University strives to fulfill the above mandate by a diversity of means of distance and continuing education. It functions in cooperation with the existing universities and institutions of higher learning. It makes full use of the latest scientific knowledge and new educational technology to offer a high quality education which meets the contemporary needs.

2.0 ABOUT THE PROGRAMME

We are living in the digital age of E-commerce, online banking, augmented reality and virtual reality. Information and communication technologies have taken the world to another level of challenges and achievements. Communication and mass media play an important role in all the social, political and economic spheres while closely influencing individual lives of the people. They act as ‘enablers’ by disseminating information to the target audience and bridging the information-gap. Media education helps the learners by enabling them to understand the complex role of media in society and keep pace with the fast changing technologies. It also empowers them by opening new vistas of opportunities as well as upgrades their skills and competencies to meet the challenges of a changed job scenario.

2.1 Rationale for the Programme

The mega proliferation of media, both traditional and the new media in the past few years in the rural and urban belts have changed the technological demography of the country in a big way. While virtual and augmented reality and artificial intelligence have come to be used in our daily lives, big data has revolutionized the way the society transacts its socio political and economic affairs. Business, education, socialization, almost all sectors have undergone a sea change with technology. In such a fast paced world and changing technology media has been at the helm of the change because this is the tool that has helped pace up the change. As a result, multiple career avenues have opened up for those who are eager to learn and reinvent their skills to match the changing technology and business related needs. A technology becomes obsolete as soon as another technology is ready to replace it. All these developments have created immense demand for manpower training needs.

The Post Graduate Diploma in Journalism and Mass Communication (PGJMC) is aimed to address this need by imparting journalistic and communication knowledge and skills. The programme keeps in view the requirements of various media organizations in both government and private sectors.

2.2 Objectives

The Post Graduate Diploma in Journalism and Mass Communication aims to:

- provide opportunities to those who are working in media organizations to enhance their knowledge and skill for their development;
- produce professionals who after graduating are able to work in mass media organizations; and
- create better understanding of the role of mass media in the society.

2.3 Eligibility Criteria

The eligibility criteria for joining the programme are as follows:

- Bachelor's degree in any subject.
- The learners should possess working knowledge of computers – MS Office and other simple softwares and should have internet access.

2.4 Medium of Instruction

The programme is offered through English medium.

2.5 Programme Duration

The minimum duration of the programme is one year. However, due to inherent flexibility offered by the University, it can be completed in next three years. As such, the maximum duration of the programme is four years.

2.6 Programme Fee

The programme fee is Rs 12500/- and is payable in one installment (the University may revise the fee from time to time. Please check the advertisement or IGNOU website).

2.7 Credit System

IGNOU follows the Credit System for its academic programmes. Each credit amounts to 30 hours of study comprising different learning activities, including assignments and listening/watching audios and videos. Thus a four credit course involves 240 hours of study. Knowing the number of credits for each course helps you to get an idea about the academic effort required for successfully completing a course. The PGJMC programme consists of 32 credits (960 study hours), which have been equally distributed in eight courses.

4. INSTRUCTIONAL SYSTEM

The Open University System is more learner-oriented and the student is an active participant in the teaching-learning process.

The University follows a multiple-media approach for instruction. This approach comprises the following components:

- Self Instructional Printed/Digital Materials
- Audio and Video Materials
- Teleconferencing
- Gyan Darshan and Gyan Vani programmes
- Interactive Radio Counselling
- Counselling Sessions
- Study Centres

4.1 Self Instructional Printed/Digital Material

The self instructional materials are the main study materials for the programme. It is supplied to the students in the form of blocks. Each block consists of 3-5 units. You may think of unit as a lesson.

How to Study the Units

While going through the syllabi, you will note that each course has been divided into a number of blocks. There are a total of 23 blocks for all the six courses and there are two practical courses of the programme. Each block has a number of units (lessons). The units of a block have a certain thematic unity. The practical manuals will provide clarity on how to go about the practical courses.

Each unit begins with an introduction in which we tell you about the contents of the unit. We also outline a list of objectives, which we expect you to achieve after working through the unit. This is followed by the main body of the unit which is divided into various sections and sub-sections. We end each unit by summarising its contents of the whole unit to enable you to recall the main points.

Self-check exercises have been given under the caption Check Your Progress at a few places in each Unit which invariably ends with possible answers to the questions set in these exercises. Glossary explains the terms used in a Unit. You may also consult a dictionary for the terms not covered in glossary or requiring further explanation.

Activities are included to check your application of the concepts that have been taught to you.

You should go through the Units and jot down important points as you read in the space provided in the margin. Broad margins in the block are there for you to write your notes on. This will help you keep track of the concepts and assimilate what you have been reading in a Unit, and answer the self-check exercises and the assignment questions, and also easily identify the items to be clarified.

4.2 Audio-Video Material

In addition to the print material, audio and video programmes are in general prepared for each course. The audio-video material is supplementary to print material and helps you to understand the subject better. Video programmes are telecast by Doordarshan on the National network from Monday to Friday from 6.00 to 6.30 am and on Gyan Darshan Channel. The schedule of telecast is made available on the IGNOU website.

Audio-video materials are made available at the Study Centres and you can also watch these programmes during counselling sessions. Students desirous of buying the audio video

CDs/DVDs can procure them from: Marketing Unit, Electronic Media Production Centre, Indira Gandhi National Open University, Maidan Garhi, New Delhi-110068.

4.3 Teleconferencing

To reach out to students spread in different parts of the country, teleconferencing sessions are conducted via satellite using one-way video and two-way audio facility from Delhi. Teleconferencing is an effective means of interaction between the learners, experts and those concerned with the programme. It provides interesting opportunity to you to interact with the faculty members located at headquarters and other experts/ eminent scholars in the field. You can attend these sessions at the Regional Centres of IGNOU at scheduled time for drawing benefit of this facility. You can put your questions and queries to the experts through the toll-free telephone numbers available at the Regional Centres.

4.4 Gyan Darshan and Gyan Vani

Gyan Darshan, an exclusive educational channel of the country is providing educational programmes on a variety of subjects for 24 hours a day. If you want to watch enriching educational programmes beamed through this channel, they are available on DTH platforms and cable TV networks. The Gyan Darshan weblink is <http://ignouonline.ac.in/gyandarshan> Gyan Vani is a network of educational FM radio station in the country. Gyan Vani radio station broadcasts over a radius of 70 kms and cater to the educational and developmental needs of the region. It is available at 105.6MHz and its weblink is <http://www.ignouonline.ac.in/gyandhara/>

The broadcasts are in English, Hindi and the specific regional language. For detailed programme schedule of programmes on Gyan Darshan and Gyan Vani you may click the link on IGNOU website at www.ignou.ac.in.

4.5 Interactive Radio Counselling

Interactive Radio Counselling (IRC) is provided to students enabling them to interact with experts and seek clarification on academic matters. Live counseling is conducted on radio by invited experts for an hour from different radio stations in the country. Students can ask questions from their homes through telephones by availing the facility of toll-free telephone number 1600112345 provided from select cities.

4.6 Counselling Sessions

In distance education, contact sessions between learners and their counsellors are an important activity. The purpose of such a contact is to answer some of your questions and clarify your doubts which may not be possible through other means of communication. It is also intended to provide you an opportunity to meet your fellow learners. There are experienced Academic Counsellors at the Study Centres to provide counselling and guidance to you in the courses that you have chosen for study. The counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. **Attending counselling is not compulsory. However, they may be very useful in certain respects** such as to share your views on the subject with teachers and fellow participants, comprehend some of the complex ideas or difficult issues and get clarifications for many doubts which you would not otherwise try to raise.

Counselling sessions will be provided to you at the Study Centre assigned to you. You should note that the counselling sessions will be very different from the usual classroom teaching or lectures. Counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties (academic as well as personal) which you face while studying for the PGJMC programme. In these sessions, you must look into the subject based difficulties and any other issue arising out of such difficulties. Besides, some of the audio and video programmes that are available at that time will be played in the counselling sessions.

Before you go to attend the counselling sessions, please go through your study material and note down the points to be discussed. Unless you have gone through the units, there may not be much to discuss. Try to concentrate on the relevant and the most important issues. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible guidance from your Counsellors.

You will be informed about the detailed schedule of the counselling sessions by the Coordinator of your Study Centre.

4.7 Study Centres

To provide effective student support, we have set up Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The particulars regarding the Study Centre to which you are assigned will be communicated to you.

Each Study Centre has:

- A Coordinator who coordinates different activities at the centre;
- An Assistant Coordinator and other supporting staff appointed on a part time basis; and
- Counsellors to provide counselling and guidance to you in the course.

A Study Centre has following major functions:

Tutorial/Counselling: Tutorial/Counselling is an important aspect of Open University System. Face-to-face contact-cum counselling for courses will be provided at the Study Centres.

Evaluation of Assignments: The evaluation of your assignments will be done by the counsellors of your Study Centre. The evaluated assignments amount to 30% of the total marks you score in any theory course of the programme. The evaluated assignments will be returned to you at the Study Centre.

Library: Each Study Centre will have a library having relevant course materials, reference books suggested for supplementary reading.

Information and Advice: You will be given relevant information about the courses offered by the University.

Audio-Video facilities: The Centres will be provided with audio-video equipments to help you make use of the audio and video programmes prepared for different courses.

Interaction with fellow-students: In the Study Centres you will have an opportunity to interact with fellow students. This may lead to the formation of self help groups.

5.0 EVALUATION

The evaluation consists of two aspects:

- (1) Continuous evaluation through assignments
- (2) Term-end examination

In the final result, all the assignments of a theory course carry 30% weightage while 70% weightage is given to term-end examination. The University follows grading system for continuous evaluation as well as term-end examination. It is done on a ten point scale using letter grades. The notional correlates of the grades are as follows:

Letter Grade	Numerical Grade	Percentage
O (Outstanding)	10	≥ 85
A+ (Excellent)	9	≥ 75 to < 85
A (Very Good)	8	≥ 65 to < 75
B+ (Good)	7	≥ 55 to < 65
B (Above average)	6	≥ 50 to < 55
C (Average)	5	≥ 40 to < 50
D (Pass)	4	≥ 35 to < 40
F (Fail)	0	< 35
Ab (Absent)	0	Absent

A candidate of PGJMC programme is required to secure a minimum of D grade for successful completion of the programme.

Students who do not qualify in the term-end examination of a particular year are allowed to take up the term-end examinations in that same course in the next three years.

5.1 Assignments

Fresh assignments are uploaded on IGNOU website for each course annually. Assignments constitute the continuous evaluation component of a course and working on the assignments is compulsory. There is one assignment for each theory course. You will have to submit the assignments responses at the Study Centres. These will be evaluated by Academic Counsellors within a specified time to provide feedback to you.

You have to complete the assignments on time. You will not be allowed to appear for the term-end-examination for a course if you do not submit the specified assignments in time for that course. If you appear in term-end examination without submitting the assignments, then the result of term-end examination is liable to be cancelled.

The main purpose of assignments is to test your comprehension of the learning material you receive from us and also to help you get through the courses by providing feedback to you. The information given in the self learning material should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading material for working on the assignments. However, if you have easy access to other learning resources, you may make use of them. But the assignments are designed in such a way to help you concentrate mainly on the printed course material and make use of your personal experience.

For PGJMC programme of 32 credits there are a total of 6 Tutor Marked Assignments (TMAs) which are evaluated by the counsellors. Some of the assignments are knowledge based and some are of application based. Assignments which are knowledge based will require you to write essay type answers. For answering applied type of assignments, you should apply the knowledge you have gained through a Unit/Block/Course. **In either case, the answers should be your own. You must not reproduce text material verbatim or copy the information from other sources.** However, you can make use of the material and information you have at your disposal in an innovative way. You can pick up ideas from whatever sources you may have. However, plan and use them in your own words when you write the answers to the assignments.

The following norms have to be strictly practiced when you work on assignments:

- The answer should be precise, well documented and relevant to the question.
- Keep the word-limit of the answer in mind. A slight variation in length does not matter, but your answer should not be too short or too lengthy. Avoid discussing minor issues at great length. By setting a word-limit for some assignments, we mean to convey that a reasonably adequate response can be presented within the suggested word-limit.
- Assignments are uploaded on IGNOU website (<https://webservices.ignou.ac.in/assignments/>).
- The assignment responses should be complete in all respects. Before submission, you should ensure that you have answered all the questions in all assignments as incomplete answers bring poor grades.
- You must submit your assignments according to the schedule indicated in the assignments. The University/Coordinator of the Study Centre has the right to reject the assignments received after the due date. In case you get the assignments and study material late, the assignment responses should be submitted within one month of the date of the receipt of study material and assignment or within the due date given in the schedule whichever is later.
- For your own record, retain a copy of all the answers to assignments which you submit to the Coordinator of your Study Centre. If you do not get back the evaluated assignments within a month of their submission, please try to get them from your Study Centre personally. This may help you to improve your answers for your future assignments.

- Maintain an account of all the corrected responses to assignments received by you after evaluation. This will help you to correspond with the University in case any problem arises in future.
- If you are unable to submit your assignments or are unable to score the minimum qualifying grade 'D', you have to collect/download, attempt and submit the assignments meant for the next batch of students. Then you will have to submit it for subsequent sessions.
 - In case you find that the score indicated in the assignment sheet of your assignments has not been correctly reflected in your grade card, you are advised to contact the Coordinator of your Study Centre with a request to forward correct authenticated award list (through respective Regional Centre) to the Registrar, Student Evaluation Division, IGNOU.
- Once you get the pass grade in an assignment you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of your Study Centre.
- Do not enclose or express doubts for clarification, if any, along with the assignments. Send requests for seeking clarifications in a separate cover to: Dy. Registrar, Student Evaluation Division, IGNOU, Maidan Garhi, New Delhi-100068.

When doing so, give your complete enrolment number, name, address, title of the course and the number of the unit or the assignment on the top of your letter.

Specific Instruction for Assignments

- Write your Enrolment Number, Name, Full Address, Signature and Date on the top of right hand corner of the first page of your response sheet.
- Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand of the first page of your response sheet. Course code and Assignment Code may be reproduced from the assignments.

The top of the first page of your response sheet for each assignment should thus look like the following:

PROGRAMME TITLE.....	ENROLMENT NO.....
PROGRAMME CODE.....	NAME.....
	ADDRESS.....

COURSE CODE.....	
COURSE TITLE.....	
ASSGINMENT CODE.....	SIGNATURE
STUDY CENTRE.....	DATE.....

- Read the assignments carefully and follow specific instructions, if any, given along with the assignments.

- Go through the units on which the assignment is based, note the points relating to the question, rearrange those points in a logical order and work out a rough outline to your answer. Give adequate attention to the introduction and the conclusion. In the introduction, you should give a brief interpretation of the question and how you propose to develop the answer. The conclusion should summarise your response to the question. Make sure that the answer is logical and coherent. The answer should be divided into appropriate paragraphs. The answer should be relevant to the question given in the assignment. Make sure you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasize.
- Use only A- 4 size paper for your response and tie all the pages carefully. Avoid using thin paper. Allow a 4 cm margin on the left side and at least a few lines between each answer. This may facilitate the evaluator to write useful comments on the margin at appropriate places.
- Write the responses to assignments in your handwriting. Do not print or type the answers.
- Do not copy from the response sheet of other students. If copying is noticed, the assignment of such student will be rejected.
- Answer to each assignment should be written on a separate set of papers.
- Write the question number and the question before writing the answer.
- The completed assignment should be sent only to the Coordinator of the Study Centre allotted to you. **Do not** send it to the SED, IGNOU, New Delhi.
- After submitting the assignment at the Study Centre, get the acknowledgement from the Coordinator on the prescribed assignment remittance-cum-acknowledgement card.
- In case you have requested for a change of Study Centre, you should submit your assignments **only to the original Study Centre that has been allotted to you by the University.**
- The University sends study materials and assignments, wherever prescribed to the students by registered post and if a student does not receive the same for any reason whatsoever, the University shall not be held responsible for that.
- In case a student wants to have assignments, s/he can obtain a copy of the same from the Study Centre or Regional Centre or may download it from the IGNOU website- www.ignou.ac.in .

5.2 Term-End Examination

As stated earlier, Term-End Examination is another component of the evaluation system. For PGJMC programme the Term-end examination (TEE) carries 70% weightage in the final result (30% weightage is for assignments).

Term-end examinations are held twice in a year (June and December). At the end of the first semester, you can appear in not more than three theory course examinations. On completion of the first year or two semesters, you may appear in the examination of the rest of the courses including practicals. You also have the option of appearing for exams of all the courses at the end of one year or two semesters since the minimum duration of completion of the programme is one year.

Dates and the venue of the examination will be intimated to you in time by the Registrar, Student Evaluation Division of the University.

To be eligible to appear at the Term-end Examination, you are required to fulfill the following conditions:

- All the required assignments have been submitted within the due dates.
- The fees has been fully paid.
- The examination form has been submitted in time (which is explained later).

Examination date sheet schedule which indicates the date and time of examination for each course is made available at IGNOU website www.ignou.ac.in well in advance.

It is pre-requisite for you to submit the Examination Form online with requisite fees for taking examination in any course. Only one form is to be submitted for all the courses in one Term-end Examination. Normally, the date for submission of examination forms **without late fee** for **June TEE is from 1st March to 31st March**. For **December TEE** the submission of examination form **without late fee is from 1st September to 30th September**. Students may visit IGNOU website www.ignou.ac.in for updated schedule (for submission of examination forms - without late fee and with late fee).

Control number will be given on submission of examination form. The hall ticket will be uploaded on IGNOU website ten days before the commencement of examination. The University I-card and the valid Hall Ticket is required for appearing in the examination.

Your Study Centre is normally your examination centre. Change of examination centre is permissible in exceptional cases for which you have to make a request to: Registrar, SED, IGNOU, New Delhi-110068, at least one month before the commencement of the examination. The request received at the Headquarters thereafter will not be entertained. It is your responsibility to check whether you are registered for a particular course and whether you are eligible to appear for that examination or not. If you neglect this and take the examination without being eligible for it, your result will be cancelled.

The Regional Centre and Study Centre is the contact point for you. The University cannot send communication to all the students individually. All the important communication would be sent to the Coordinators of the Study Centres and Regional Directors and uploaded on University website.

The Coordinator will display a copy of such important circulars/notifications on the notice board of the Study Centre for the benefit of all the students. You are, therefore, advised to keep

in touch with your Coordinator so that you get information in advance about assignments, submission of examination forms, date sheet, list of students admitted to a particular examination, declaration of result etc.

While communicating with the University regarding examination, please clearly write the name of the programme, enrolment number and your complete address. In the absence of such details, your problem may not be attended to. The University normally may require 45 days to intimate the result of a particular term-end examination. Once you receive your results and if you find that you have passed in that course, you need not appear for that course again.

Students may appear for one or more theory course at a time. If you are unable to clear all the theory courses in the first attempt or do not wish to appear in all the subjects at a time, you can clear them in the subsequent examinations. You are free to appear for as many courses as you like at a time. **However, you must clear all the courses within four years of your admission.**

6.0 OTHER USEFUL INFORMATION

You may find the following information useful for the programme.

6.1 Reservation

The University provides reservation of seats for Scheduled Castes, Scheduled Tribes, War Widows, wards of Ex-Servicemen of Military/Paramilitary Forces and Physically Handicapped candidates as per the Government of India rules.

6.2 Scholarships and Reimbursement of Fee

Reserved categories viz., Scheduled Castes, Scheduled Tribes and Physically Handicapped Students have to pay the fee at the time of admission to the University along with other students.

Students belonging to these reserved categories (admitted to IGNOU) are eligible for Government of India scholarships. They may access National Scholarship Portal or E-district portal of concerned state.

6.3 Change or Correction of Address /Study Centre

In case there are any corrections or change in your address or Study Centre, you should use the Form for the change/correction of address and send it to the Regional Director of your Regional Centre. You are advised not to write letters to any other officer in the University in this regard. Normally, it takes four to six weeks to effect the change. Therefore, you are advised to make your own arrangements to redirect the mail to the changed address during this period. A copy of the same may be sent to Student Registration Division at the Headquarters.

As far as possible, request for change of Study Centre is considered favourably. However, the allotment of new Study Centre is subject to availability of seats for the programme at the new Centre asked for. Counselling facilities may not be available at all the Centres. As such you are advised to make sure that counselling facilities are available for the programme you have

chosen at the Centre opted for. The list of study centres activated for PGJMC programme is provided in annexure.

6.4 Change of Region

When you want transfer from one region to another, you have to write to that effect to the Regional Centre from where you seek a transfer marking copies to the Regional Centre where you would like to be transferred to and also to Registrar, Student Registration Division, IGNOU, New Delhi. A no objection certificate is to be obtained from the Regional Centre where the learner wishes his/her transfer. Further, you have to obtain a certificate from the Coordinator of your Study Centre from where you are seeking transfer regarding the number of assignments submitted. The Regional Director from where you are seeking the transfer will transfer all the records to the Regional Centre where you seek transfer under intimation to you and Registrar, Student Registration Division, IGNOU, New Delhi. The records are normally sent by Registered Post to guard against any loss in transit.

6.5 Some Useful Hints

- Please read the Programme Guide thoroughly and keep it handy. It contains most of the information you are likely to need during your perusal of the PGJMC programme.
- Please keep a record of all the information/letters/communication received from and sent to the University.
- Do write to us if you face any problem while working through the programme. Please write briefly and neatly for a quick redressal of your problem.
- In the case of change of address inform the relevant authorities well in advance.
- To get the best out of the programme, maintain a time-table for yourself and stick to it. Make the time-table realistic taking into account some unforeseen situations, such as illness, official work, social obligations etc.
- Be regular in your work and devote at least two hours of study every day.
- Use the prescribed forms appended in Annexure for different purposes to facilitate prompt action.

7.0 SOME ESSENTIAL FORMS FOR YOUR USE

In this Section we are enclosing the sample of some forms which are useful to you. Whenever you have to correspond with the University, please get the photocopy of the relevant form, fill it carefully and sent as per instructions therein. The detailed instructions for all these forms are provided in this programme guide in different sections. Here is the link to important forms:

<http://ignou.ac.in/ignou/studentzone/forms/2>
