Dear learner,

Welcome to the Post Graduate Diploma in Environmental Studies programme. By taking admission into this programme, you are now the student of IGNOU, which is one of the largest mega Universities in the world. IGNOU offers educational programmes through open and distance learning (ODL) and online mode. The striking feature of the various mode of education is that you will find the teacher in the self-learning materials and also you would be provided with constant support from student support services division of IGNOU.

Post Graduate Diploma in Environmental Studies programme endeavours to provide you with the comprehensive outlook on different aspects of environmental studies. This programme guide indeed helps you to gauge the learning outcomes, peruse the course material, and dissect the instructional and delivery system and understands the evaluation strategy. You will find that the University adopts a multi-media approach to facilitate teaching-learning activities. The teaching-learning activities include self-learning materials, audio and video programmes, teleconferencing and Interactive Radio Counselling and counselling sessions at the study centres.

Please read the Programme Guide very carefully to clarify your doubts and satisfy your curiosities about IGNOU and the Post Graduate Diploma in Environmental Studies Programme.

Wishing you Good Luck for the completion of the programme.

Best Wishes,

Programme Coordinators,

Post Graduate Diploma (Environmental Studies)

1.0 THE UNIVERSITY

The Indira Gandhi National Open University, established by an Act of Parliament in 1985, has emerged as the largest Mega University in the democratic world. IGNOU has been awarded A Plus Plus grade by NAAC. To achieve the objective of widening access for all sections of society and providing continual professional development and training to all sectors of the economy, the University uses a variety of media and latest technology in imparting education.

The mandate of the University is to:

- provide access to higher education to all segments of society;
- offer high quality, innovative and need-based programmes at different levels, to all those who require them;
- reach out to the disadvantaged by offering programmes in all parts of the country at affordable costs; and
- promote, coordinate and regulate the standards of education offered through open and distance learning in the country.

IGNOU has following unique features:

- National and international reach
- Flexible entry qualifications
- Wide range of academic programmes at affordable costs
- Diverse learner groups
- Modular programmes based on a credit system
- Rigorous course development mechanisms to ensure quality
- Multi-lingual and multiple media instructional packages
- Flexibility in terms of place, pace and duration of study
- Use of latest information and communication technologies for blended learning
- An effective and integrated student support services network
- Resource sharing, collaboration and networking with state open universities and distance education/correspondence course institutions
- Joint course offerings with a number of formal institutions of higher learning
- Collaboration with faculty and professionals in formal institutions of higher learning and industry for the design, development and delivery of courses.
- Walk-in admissions and examinations

The University provides multi-channel, multiple media teaching-learning packages for instruction and self-learning. The different components used for teaching-learning include self-instructional print and audio-video materials, radio and television broadcasts, face-to-face counselling/tutoring, laboratory and hands-on experience, teleconferencing, videoconferencing, interactive radio counselling, interactive multimedia CD-ROM and internet-based learning, and the use of mobile phones for instant messaging.

2.0 PGDEVS PROGRAMME

2.1 Background of the Programme

The current degradation of natural ecosystems is seen in the form of environmental pollution, climate change, resource depletion, biodiversity loss, etc. In order to address the environmental challenges induced by anthropogenic activities, capacity building in Environmental Studies is the need of the hour. There is a need for developing knowledgeable workforce in the areas such as climate change, pollution, waste management, sanitation, conservation of biological diversity, management of biological resources, forest and wildlife conservation, and sustainable development.

In this context, the concept of ‘Lifestyle for the Environment (LIFE) was introduced by Prime Minister at the 26th Conference of Parties to the UN Framework Convention to Climate Change in Glasgow on 1st November 2021, calling upon the global community of individuals and institutions to drive LIFE as in International mass movement towards “mindful and deliberate utilisation, instead of mindless and destructive consumption” to protect and preserve the environment.

Post Graduate Diploma in Environmental Studies is a step in the direction to make a meaningful contribution towards the implementation of National Education Policy 2020. The programme with a multidisciplinary and an interdisciplinary approach aims to generate awareness on a wide variety of environmental concerns.

The learners after completing the Programme can take lateral entry to Master of Arts (Environmental Studies) MAEVS. Doing this programme will enable the learners to play decisive roles in addressing the environmental and sustainability concerns in India and across the world. It will help the learners to restore, protect, and sustain the environment and appreciate the interdependence between the components of the environment. The programme will give valuable insights to the learners with the necessary means and capacities to engage in fruitful assessment of environmental conditions, propose sustainable solutions and contribute to the formulation of suitable policies for environmental planning and sustainable development. Therefore looking at the present context of environmental degradation and futuristic ambitious plans to meet SDGs, SOITS at Indira Gandhi National Open University is offering Post Graduate Diploma Environmental Studies Programme with a curriculum designed to touch upon various facets of environment.

2.2 Objectives of the Programme

Programme Objectives

- To demonstrate the interrelationship between the man-nature interactions.
- To provide knowledge on contemporary issues and environmental challenges.
- To capacitate the learners in the field of environment protection and sustainable development.

- To enable the learners to apply the knowledge in environmental management and achieve the Sustainable Development Goals.

2.3 Programme Offer and Coverage

Post Graduate Diploma in Environmental Studies will be offered in both January and July sessions every year. It is offered throughout the country through the established network of IGNOU Regional Centres.

2.4 Target Group

The target group of this programme includes Fresh Graduates, School Teachers, College Faculty, Environmental Executives, Policy makers, Journalists, Mid-career professionals, etc., amongst others.

2.5 Eligibility Criteria

Post Graduate Diploma in Environmental Studies, aims at attracting qualified graduates of any discipline from a recognised University or Institute.

2.6 Medium of Instruction

The medium of instruction for this programme is English.

2.7 Duration of the Programme

The minimum duration is 1 year and the maximum duration for completion of the programme is 3 years.

2.8 Fee Structure

The fee for the entire programme is Rupees. 6000/- (University may revise the programme fee from time to time. Kindly check the IGNOU website or newspaper advertisements.

2.9 Prospects

Study of the environment with a penchant for identifying the causes of the environmental problems and ecological and sustainable solutions to environmental management forms the pervasive learning activity during the Post Graduate Diploma in Environmental Studies. This categorically paves way for higher learning directed exclusively on in-depth analysis of the environmental issues, inquiry about the root cause of the problem, comprehensive analysis of interrelated issues and pragmatic solutions with socio-ecological and economic feasibility. Environmental studies graduates have multiple career options. They can work with different Ministries, government departments and agencies working on air, water, forest, climate change, waste management, Pollution Control Boards, Urban planning, Industries, Water resources and Agriculture, etc. Private industries and firms also absorb a large number of

environmental officers to suggest proper methods and processes. Environmental specialists also can seek employment in media as environment journalists. Teaching in colleges and universities is also a good option available for environmental postgraduates.

4.0 INSTRUCTIONAL SYSTEM

The instructional system of IGNOU is more learner-oriented and learner-centred. In this system, the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance mode of communication rather than face-to-face mode of communication. The University follows a multi-media approach for instruction. The instructional system of MAEVS also follows multi-media approach i.e. self-instructional print material, audio-video programmes, assignments, face-to-face counseling sessions, teleconferencing and interactive radio counseling, among others.

4.1 Self-instructional Print Material

The print material is written in self-instructional style. It is in the form of blocks (booklets) specially prepared for theory courses of the programme. Each course has a specific code number assigned to it. They are supplied to each learner along with a set of assignment questions. The learner has to complete the required assignments related to each course. Each course may have 3-4 blocks and each block may have 3-4 units.

4.2 Audio-video Programmes

The learning package also contains audio-video programmes which are produced by the University for supplementing and enhancement of understanding of the course material given to the learner. These programmes are normally of 25-30 minutes duration. These are used at the Study Centres during counseling sessions which are duly scheduled and notified by the programme in-charge/coordinator of study centre for the benefit of the students. The video programmes are also telecast on Gyan Darshan and Swayam Prabha channel. Similarly, the audio programmes when produced are also broadcast by Gyan Vani and selected stations of All India Radio. Learners can contact study centres for further information.

4.3 Assignments

Assignments are an integral and compulsory component to the instructional system. There is one tutor-marked assignment for each theory course. Students will have to work on these assignments. Each student should submit the assignment responses to the Coordinator/Programme In-charge of the Study Centre in accordance with the given assignments' submission schedule. **Students can download the assignments from IGNOU website (www.ignou.ac.in) at student's zone or at SOITS webpage.**

4.4 Counseling Sessions

Up to six counseling sessions per course are held at the study centres as per the schedule drawn and notified by the coordinator/programme in-charge of the concerned centre. They are mostly held on weekends (i.e. Saturday and Sundays) as per the convenience of the host institution where the study centre is located. However, if the number of students for the programme at a programme study centre falls below 10 (ten), then the counseling and support services may be handled by a Distance Learning Facilitator or the programme coordinator or the faculty of the School concerned or through an appropriate alternative arrangement.

4.5 Teleconferencing

Tele conferencing sessions are conducted through interactive Gyan Darshan Channel from the University studios as per the schedule made available to the Regional and Study Centres. Tele conferencing is an effective means of interaction between the learners, experts and others concerned with the programme. It provides an interesting opportunity to the students to interact with the faculty members at the headquarters, and other experts/eminent scholars in the field. The learners' will have to go to the nearest regional centre at the scheduled time for taking the benefit

of this facility.

4.6 Interactive Radio Counseling

Interactive Radio Counseling is an important component of distance learning in IGNOU. Live counseling is provided on radio by invited experts for an hour from different radio stations in the country. Students can ask questions right from their homes through telephone by availing the facility of toll-free telephone number 1600112345 provided for this purpose from selected cities.

5. DELIVERY SYSTEM

The PGDEVS programme is delivered as a continuous programme of one year duration. 6. EVALUATION

Theory Courses

The evaluation of the performance of the students will be based on two aspects: (i) continuous evaluation through assignments with a weightage of 30% and (ii) term-end examination having a weightage of 70%. In order to successfully complete the course, a student is required to submit one assignment for each course.

Qualifying Marks: In order to successfully complete a theory course, the student must obtain at least '40%' in the assignment and '40%' in the Term-End Examination (TEE) separately in each course.

Overall Grading: The final score for each course is computed by combining continuous evaluation score and term-end examination score.

The grading system depending on the percentage of marks secured by the candidates in TEE.

Letter Grade	Qualitative Level	Grade Points	Average Grade Point Range	Percentage Equivalent
A	Excellent	5	4.50 & above	80% and above
B	Very Good	4	3.50 to 4.49	60% to 79.9%
C	Good	3	2.50 to 3.49	50% to 59.9%
D	Satisfactory	2	1.50 to 2.49	40% to 49.9%
E	Unsatisfactory	1	1.49 & below	Below 40%

ASSIGNMENTS

The purpose to work on the assignments is to provide you an opportunity of articulating your assimilated knowledge and understanding in to written form and also to test your capacity of

transferring the theoretical learning from the courses to practical situations. Thus, the assignments practically enhance your understanding as well as skill to articulate and express in writing. There is one assignment for each theory course. The answers to assignment questions are to be based on your own judgment and experiences as a student. You should not reproduce the text materials or copy the information from other sources. However, you may use the course material and any other sources of information for ready reference. But the answer should be in your own words and should reflect your own ideas. Please note that your assignment responses carry 30% weightage towards the final evaluation of each theory course. If you do not complete the assignments according to time schedule of assignments of the relevant academic session, then you have to attempt the assignment questions of the next session and submit the assignment responses according to the schedule of that session. You have to send the assignment-responses to the Study Centre you are attached to as per schedule. The instructions given in the assignments should be kept in mind while you prepare and submit the assignment responses.

TERM-END EXAMINATION (TEE)

The TEE is another component to evaluation system with 70% weightage for each theory course. The University conducts term-end examination (TEE) twice a year i.e. in June and in December of every year. In case you fail to get a pass score in the TEE, you will be eligible to re-appear in the next TEE for that course, till the final span of the programme i.e. prior to completion by you of the maximum duration of four years from the date of your admission/registration to the programme.

Examination date-sheets (schedule which indicates the date and time of examination for each course) are sent to all the study centres and the same is also notified through the IGNOU website.

It is a pre-requisite to submit the Examination Form with a fee of Rs.120/- (revised from time to time) per course in the form of demand draft drawn in favor of IGNOU and payable at New Delhi or at the city where the concerned Regional Centre to which you are submitting your form is located (Copy of the examination form is given in Annexure-IV). They are also available at Study Centres, Regional Centres, and Student Evaluation Division at the Headquarters at New Delhi. The form can also be downloaded from IGNOU website: www.ignou.ac.in. Only one form is to be submitted for all the courses you are appearing in TEE.

- Normally your Study Centre is the Examination Centre. In case you wish to take examination

at a particular centre, the code of your chosen centre is to be filled up as Examination Centre Code. However, if Examination Centre chosen by you is not activated, you will be allotted to any other Examination Centre under the same region.

- Change of Examination Centre, once allotted, is not permissible under any circumstances.

The filled-in examination form is to be submitted to the concerned Regional Centre under which your examination centre falls. The dates for submission of Examination Forms are given below.

For June TEE	For December TEE	Late Fee	Address, where Exam Form is to be	Remark
1 st March to 31 st March	1 st September to 30 th September	NIL	Regional Director of the concerned Regional Centre under which your examination centre falls.	Examination fee@Rs.120/per course in the form of DD drawn in favour of IGNOU and payable at the city of the concerned Regional Centre to which you are submitting your application form.

21 st April to 30 th April	21 st October to 31 st October	Rs.500/-		
1 st May to 15 th May	1 st November to 15 th November	Rs.1000/-		

The student is required to mention his/her name, enrollment number and programme code on the back side of the demand draft.

Issue of Examination Intimation Slip: University issues Examination Intimation Slip to the students at least 2 weeks before commencement of the term-end examination and also uploads the information at the University's website: www.ignou.ac.in. If they do not receive Examination Intimation Slip within a week before commencement of the examination, they may download the Examination Intimation Slip for the examination from the website.

7. GENERAL INSTRUCTIONS

- Please file all letters that the University sends you, and keep the Programme Guide handy. A

record of your progress is maintained at IGNOU, New Delhi.

- Do write us if you have any difficulties while working through the programme. Remember to intimate the relevant authority sufficiently in advance, if there is any change of address. This will help the concerned authority to send you course material, any information and letters promptly, without any delay or the risk of their being lost.
- Please try to attend as many counseling sessions as possible so as to get the best out of the programme.
- When you receive the printed materials, read the units carefully and note down the important points. You can use the space in the broad margin of the printed pages for making notes and writing your comments.
- Try to answer 'Check Your Progress' questions. Please remember, the answers to these questions are not to be sent to us. The purpose is to enable you to evaluate your own performance and keep you on the right track. They will enhance your comprehension of the subject matter. You can compare your answers with those given at the end of the unit.
