### 4. INSTRUCTIONAL SYSTEM

---

The Open University System is more learner-oriented and the student is an active participant in the teaching-learning process.

The University follows a multiple-media approach for instruction. This approach comprises the following components:

- Self Instructional Printed/Digital Materials
- Audio and Video Materials
- Teleconferencing
- Gyan Darshan, Gyan Vani programmes and Gyandhara
- Interactive Radio Counselling
- Counselling Sessions
- Study Centres

#### 4.1 Self Instructional Printed/Digital Material

The self instructional material is the main source of teaching input, or the ‘master medium’ for the programme. It is supplied to the students in the form of blocks. Each block consists of 3-6 Units. You may think of Unit as a lesson.

#### How to Study the Units

While going through the syllabi, you will note that each course has been divided into a number of blocks. There are a total of 26 blocks for all the six courses and there is one Course Project Work of the Programme. Each block has a number of Units (lessons). The Units of a block have a certain thematic unity. The Project Handbook will provide clarity on how to go about the Project Work.

Each Unit begins with an introduction in which we tell you about the contents of the Unit. We also outline a list of objectives, which we expect you to achieve after working through the Unit. This is followed by the main body of the Unit which is divided into various sections and sub-sections. We end each Unit by summarising the contents of the whole Unit to enable you to recall the main points.

Self-check exercises have been given under the caption Check Your Progress Exercise at a few places in each Unit which invariably ends with possible answers to the questions set in these exercises. Glossary explains the terms used in a Unit. You may also consult a dictionary for the terms not covered in glossary or requiring further explanation.

Activities are included to check your application of the concepts that have been taught to you. You should go through the Units and jot down important points as you read in the space provided in the margin. Broad margins in the block are there for you to write your notes on. This will help you keep track of the concepts and assimilate what you have been reading in a Unit, and answer the self-check exercises and the assignment questions, and also easily identify the items to be clarified.

## 4.2 Audio-Video Material

In addition to the print material, audio and video are in general prepared for each course. The audio-video material is supplementary to print material and helps you to understand the subject better. The schedule of telecast is made available on the IGNOU website [www.ignou.ac.in](http://www.ignou.ac.in).

Students desirous of buying the audio video CDs/DVDs can procure them from: Marketing Unit, Electronic Media Production Centre, Indira Gandhi National Open University, Maidan Garhi, New Delhi-110068. Alternatively, you can also access them online at <http://egyankosh.ac.in/>

## 4.3 Teleconferencing

To reach out to students spread in different parts of the country, teleconferencing sessions are conducted via satellite using one-way video and two-way audio facility from Delhi. Teleconferencing is an effective means of interaction between the learners, experts and those concerned with the programme. It provides interesting opportunity to you to interact with the faculty members located at the Headquarters and other experts/eminent scholars in the field. You can attend these sessions at scheduled time for drawing benefit of this facility. You can put your questions and queries to the experts through a telephone number/ email id/Online mode for details, you may visit <http://ignouonline.ac.in/gyandarshan>

Students can ask questions from their homes through telephone number/ email id/Online mode for details, you may visit <http://www.ignouonline.ac.in/gyandhara/>

## 4.6 Counselling Sessions

In distance education, contact sessions between learners and their Counsellors are an important activity. The purpose of these sessions is to answer your questions and clarify your doubts which may not be possible through other means of communication. It is also intended to provide you an opportunity to meet your fellow learners. There are experienced Academic Counsellors at the Study Centres to provide counselling and guidance to you in the courses that you have chosen for study. The counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. **Attending counselling is not compulsory. However, they may be very useful in certain respects** such as to share your views on the subject with teachers and fellow participants, comprehend some of the complex ideas or difficult issues and get clarifications for many doubts which you would not otherwise try to raise.

Counselling sessions will be provided to you at the Study Centre assigned to you. You should note that the counselling sessions will be very different from the usual classroom teaching or lectures. Counsellors will not be delivering lectures or speeches. They will try to help you to overcome difficulties (academic as well as personal) which you face while studying for the PGDDC programme. In these sessions, you must look into the subject based difficulties and any other issue arising out of such difficulties.

Before you go to attend the counselling sessions, please go through your study material and note down the points to be discussed. Unless you have gone through the units, there may not be much to discuss. Try to concentrate on the relevant and the most important issues. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible guidance from your Counsellors.

**You will be informed about the detailed schedule of the counselling sessions by the Coordinator of your Study Centre.**

## 4.7 Study Centres

To provide effective student support, we have set up Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The particulars regarding the Study Centre to which you are assigned will be communicated to you.

Each Study Centre has:

- A Coordinator who coordinates different activities at the centre;
- An Assistant Coordinator and other supporting staff appointed on a part time basis; and
- Counsellors to provide counselling and guidance to you in the course.

A Study Centre has following major functions:

**Tutorial/Counselling:** Tutorial/Counselling is an important aspect of Open University System. Face-to-face contact-cum counselling for courses will be provided at the Study Centres.

**Evaluation of Assignments:** The evaluation of your assignments will be done by the counsellors of your Study Centre. The evaluated assignments amount to 30% of the total marks you score in any theory course of the programme. The evaluated assignments will be returned to you at the Study Centre. There is no re-evaluation of assignments.

**Library:** Each Study Centre will have a small library having relevant course materials, reference books suggested for supplementary reading.

**Information and Advice:** You will be given relevant information about the courses offered by the University.

**Interaction with fellow-students:** In the Study Centres you will have an opportunity to interact with fellow students. This may lead to the formation of self help groups.

---

## 5.0 EVALUATION

---

- (1) The evaluation comprises three aspects:
- (2) Self-evaluation - check your progress and activity exercises (non-credit) within the study material.

Continuous evaluation - one compulsory assignment for each course with a weightage of 30%.  
Term-End Examination (TEE) – one for each course with a weightage of 70%.

In order to successfully complete a course, the learner must obtain at least '40%' in the assignment and '40%' in the TEE separately in each course.

The grading system depending on the percentage of marks secured by the candidates in Assignments and TEE is as follows:

Letter Grade	Qualitative Level	Percentage Equivalent
A	Excellent	80% and above
B	Very Good	60% to 79.9%
C	Good	50% to 59.9%
D	Satisfactory	40% to 49.9%
E	Unsatisfactory	Below 40%

**\*This programme followed by Letter Grade System.**

A candidate of PGDDC programme is required to secure a minimum of D grade in assignments/term-end examination. However, you need an overall (combined) 'C' grade to successfully complete a course.

Students who do not qualify in the term-end examination of a particular year are allowed to take up the term-end examinations in that same course in the next three years.

## 5.1 Assignments

Fresh assignments are uploaded on IGNOU website for each course annually. Assignments constitute the continuous evaluation component of a course and working on the assignments is compulsory. There is one assignment for each theory course. You will have to submit the assignments responses at the Study Centres. You will also have the option of submitting your assignment online. These will be evaluated by Academic Counsellors within a specified time to provide feedback to you.

You have to complete the assignments on time. You will not be allowed to appear for the term-end-examination for a course if you do not submit the specified assignments in time for that course. If you appear in term-end examination without submitting the assignments, then the result of term-end examination is liable to be withheld /cancelled.

The main purpose of assignments is to test your comprehension of the learning material you receive from us and also to help you get through the courses by providing feedback to you. The information given in the self learning material should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading material for working on the assignments. However, if you have easy access to other learning resources, you may make use of them. But the assignments are designed in such a way to help you concentrate mainly on the printed course material and make use of your personal experience.

For PGDDC programme of 36 credits there are a total of 6 Tutor Marked Assignments (TMAs) which are evaluated by the counsellors. Some of the assignments are knowledge based and some are application based. Assignments which are knowledge based will require you to write essay type answers. For answering applied type of assignments, you should apply the knowledge you have gained through a Unit/Block/Course. **In either case, the answers should be your own. You must not reproduce text material verbatim or copy the information from other sources.** However, you can make use of the material and information you have at your disposal in an innovative way. You can pick up ideas from whatever sources you may have. However, plan and use them in your own words when you write the answers to the assignments.

The following norms have to be strictly practiced when you work on assignments:

- The answer should be precise, well documented and relevant to the question.
- Keep the word-limit of the answer in mind. A slight variation in length does not matter, but your answer should not be too short or too lengthy. Avoid discussing minor issues at great length. By setting a word-limit for some assignments, we mean to convey that a reasonably adequate response can be presented within the suggested word-limit.
- Assignments are uploaded on IGNOU website (<https://webservices.ignou.ac.in/assignments/>).
- The assignment responses should be complete in all respects. Before submission, you should ensure that you have answered all the questions in all assignments as incomplete answers bring poor grades.

- You must submit your assignments according to the schedule indicated in the assignments. The University/Coordinator of the Study Centre has the right to reject the assignments received after the due date. In case you get the assignments and study material late, the assignment responses should be submitted within one month of the date of the receipt of study material and assignment or within the due date given in the schedule whichever is later.
- For your own record, retain a copy of all the answers to assignments which you submit to the Coordinator of your Study Centre. If you do not get back the evaluated assignments within a month of their submission, please try to get them from your Study Centre personally. This may help you to improve your answers for your future assignments.
- Maintain an account of all the corrected responses to assignments received by you after evaluation. This will help you to correspond with the University in case any problem arises in future.
- If you are unable to submit your assignments or are unable to score the minimum qualifying grade 'D', you have to download, attempt and submit the assignments meant for the next batch of students. Then you will have to submit it for subsequent sessions.
- In case you find that the score indicated in the assignment sheet of your assignments has not been correctly reflected in your grade card, you are advised to contact the Coordinator of your Study Centre with a request to forward correct authenticated award list (through respective Regional Centre) to the Registrar, Student Evaluation Division, IGNOU.
- Once you get the pass grade in an assignment you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of your Study Centre.
- Do not enclose or express doubts for clarification, if any, along with the assignments.

**Instruction for Students regarding assignments submission**

- Write your Enrolment Number, Name, Full Address, Signature and Date on the top of right hand corner of the first page of your response sheet.
- Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand of the first page of your response sheet. Course code and Assignment Code may be reproduced from the assignments.

The top of the first page of your response sheet for each assignment should thus look like the following:

PROGRAMME TITLE.....	ENROLMENT NO.....
PROGRAMME CODE.....	NAME.....
	ADDRESS.....
	.....
	.....
COURSE CODE.....	
COURSE TITLE.....	
ASSGINMENT CODE.....	SIGNATURE .....
STUDY CENTRE.....	DATE.....

- Read the assignments carefully and follow specific instructions, if any, given along with the assignments.
- Go through the units on which the assignment is based, note the points relating to the question, rearrange those points in a logical order and work out a rough outline to your answer. Give adequate attention to the introduction and the conclusion. In the introduction, you should give a brief interpretation of the question and how you propose to develop the answer. The conclusion should summarise your response to the question. Make sure that the answer is logical and coherent. The answer should be divided into appropriate paragraphs. The answer should be relevant to the question given in the assignment. Make sure you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasize.
- Use only A- 4 size paper for your response and tie all the pages carefully. Avoid using thin paper. Allow a 4 cm margin on the left side and at least a few lines between each answer. This may facilitate the evaluator to write useful comments on the margin at appropriate places.
- Write the responses to assignments in your handwriting. Do not print or type the answers.
- Do not copy from the response sheet of other students. If copying is noticed, the assignment of such student will be rejected.
- Answer to each assignment should be written on a separate set of papers.
- Write the question number and the question before writing the answer.
- The completed assignment should be sent only to the Coordinator of the Study Centre allotted to you. **Do not** send it to the SED, IGNOU, New Delhi.
- After submitting the assignment at the Study Centre, get the acknowledgement from the Coordinator on the prescribed assignment remittance-cum-acknowledgement card. You may also be asked to submit your assignments online, for which appropriate guidelines shall be provided.
- The University sends study materials and assignments, wherever prescribed to the students by registered post and if a student does not receive the same for any reason whatsoever, the University shall not be held responsible for that.

## 5.2 Term-End Examination

As stated earlier, Term-End Examination is another component of the evaluation system. For PGDDC programme the Term-end examination (TEE) carries 70% weightage in the final result (30% weightage is for assignments).

Term-end examinations are held twice in a year (June and December). You can appear for the Term End Examination after one year of study. Assignment and Projects can be submitted after completion of six months and before one year.

Dates and the venue of the examination will be intimated to you in time by the Registrar, Student Evaluation Division of the University.

To be eligible to appear at the Term-end Examination, you are required to fulfill the following conditions:

- All the required assignments have been submitted within the due dates.
- The fees has been fully paid.
- The examination form has been submitted in time (which is explained later).

**Examination date sheet** schedule which indicates the date and time of examination for each course is made available at IGNOU website [www.ignou.ac.in](http://www.ignou.ac.in) well in advance. Please download hall ticket from IGNOU website to appear in the examinations.

It is pre-requisite for you to submit the Examination Form for taking examination in any course. The Examination Form is to be submitted online. The link for online submission of examination form shall be available on the University website.

The Schedule of submission of exam form is available at IGNOU website.

Control number will be given on submission of examination form. The hall ticket will be uploaded on IGNOU website seven days before the commencement of examination. The University I-card and the valid Hall Ticket is required for appearing in the examination.

Your Study Centre is normally your examination centre, though the University may conduct the examination at any other centre. Change of examination centre is permissible in exceptional cases for which you have to make a request to: Registrar, SED, IGNOU, New Delhi-110068, at least one month before the commencement of the examination. The request received at the Headquarters thereafter will not be entertained. It is your responsibility to check whether you are registered for a particular course and whether you are eligible to appear for that examination or not. If you neglect this and take the examination without being eligible for it, your result will be cancelled.

The Regional Centre and Study Centre is the contact point for you. The University cannot send communication to all the students individually. All the important communication would be sent to the Coordinators of the Study Centres and Regional Directors and uploaded on University website.

The Coordinator will display a copy of such important circulars/notifications on the notice board of the Study Centre for the benefit of all the students. You are, therefore, advised to keep in touch with your Coordinator so that you get information in advance about assignments, submission of examination forms, date sheet.

While communicating with the University regarding examination, please clearly write the name of the programme, enrolment number and your complete address. In the absence of such details, your problem may not be attended to. The University normally may require 45 days to intimate the result of a particular term-end examination. Once you receive your results and if you find that you have passed in that course, you need not appear for that course again.

Students may appear for one or more theory course at a time. If you are unable to clear all the theory courses in the first attempt or do not wish to appear in all the subjects at a time, you can clear them in the subsequent examinations. You are free to appear for as many courses as you like at a time. **However, you must clear all the courses within three years of your admission.**

### **Re-evaluation of Term end Examination:**

After the declaration of result. If the students are not satisfied with marks awarded. They can request the University to re-evaluate their Answer scripts on payment of Rs. 750/- per course. The request for re-evaluation by the student must be made online in the re-evaluation portal within one month from the date of declaration of the result.

### **Obtaining Photocopy of Answer Scripts:**

After the declaration of result, if the students are not satisfied with the marks awarded, they can request the University for obtaining Photocopy of Answer Scripts on payment of Rs. 100/- per course. The request for Obtaining Photocopy of Answer Scripts must be made online in the re-evaluation portal within 45 days from the date of declaration of result.

### **Duplicate Statement of Marks/ Grade Card:**

The learner can apply for obtaining duplicate Statement of Marks / Grade Card in case of loss /misplacement /damage by paying a sum of Rs. 200/- by way of a demand draft drawn in favour of IGNOU and payable at New Delhi. Format is available in the Annexure.
