Dear Students,

The Diploma in Agricultural Cost Management (DACM) consists of 6 theory courses. The assessment of theory courses is done in two components i.e. continuous assessment (assignment) and term-end examination. The weightage for the term-end examination will be 70 per cent and the weightage for the continuous assessment (assignment) will be 30 per cent. There is one assignment for each theory course, thus a total of six assignments for the programme. Each assignment will be of 100 marks which ultimately will be converted to have a weightage of 30 % of total marks.

Before attempting the assignments, please read the following instructions carefully.

1. First of all, read the assignment /questions and instructions carefully and identify the components of an assignment. You should read the relevant sections and sub-sections of a unit while preparing your responses and write answers in your own words. Your responses should not be a verbatim reproduction of the textual materials/blocks provided for self-learning purposes. We also suggest that you read additional materials available in your study centre or any other library before preparing your responses. But extra reading is not a must to answer these assignments.
2. **On the top of the first page of your answer sheet, please write the details exactly in the following format.**

Enrolment no.:
