ASSIGNMENTS 1-3
January 2024/ July 2024

Dear Learners,

You have to do three assignments as part of the Diploma Programme. **ALL THREE ASSIGNMENTS ARE COMPULSORY.** You have to pass in all the three assignments in order to be awarded the Diploma.

Further, each assignment has three parts - Section A, Section B and Section C. **ALL THREE PARTS OF EACH ASSIGNMENT ARE COMPULSORY.** If you do not submit all the parts of the assignment together, your assignment will not be considered complete and will be returned to you without being marked. You will have to repeat the assignment.

In each assignment, Section A comprises theoretical questions and Sections B & C comprise Practical Exercises. Each assignment carries 100 marks; 60 marks for Section A and 20 marks each for Sections B & C.

The assignments printed in this booklet contain section A of the three assignments. The Practical Exercises for Section B & Section C of the three Assignments, are contained in the Practical Manual for each Course which you would have received in your study material. There are 9-10 exercises in each Practical Manual. You have to do two exercises from each Practical Manual for each Assignment. Information about which exercises have to be done for each assignment, is given under Section B & Section C of each assignment in this booklet.

Though you have to submit only two Practical Exercises for each Assignment, **we advise you to do all the Practical Exercises contained in the Practical Manuals.** This will give you practice in applying theoretical concepts in real life and you will develop skills of interacting with children which will help you do the Project Work (i.e., Course 4) of the Diploma better. After doing the different exercises, you can select the exercise which you have done best for the assignment.

Objectives of the Assignments: One of the objectives of the assignments is to assess how well you have understood the concepts explained in the various Blocks of the Course. This is assessed through the questions in Section A. Another objective of the assignments is to assess how far you can apply the theoretical concepts which you have studied in the Blocks in day to day situations. This is assessed through the Practical Exercises in Sections B and C.

SOME DO'S AND DONT'S ABOUT SENDING IN ASSIGNMENTS

Some Do's

1. Submit your assignments by the due date to your Study Centre. We have distributed the dates of assignment submission over a period of three months, instead of giving one date for submission of all assignments. We have done this so that you get enough time to do all assignments. Also, when the counselor returns one corrected assignment to you, you can do better in subsequent assignments, as you can benefit from your Counselor's comments on your submitted response sheets.
2. Maintain an account of the assignments sent to us and the corrected assignments received by you. This will help you maintain the schedule of your work and avoid the possibility of sending the same assignment a second time.

Some Dont's

1. Do not remind us to send back the corrected response sheets. These will be sent to you at the earliest possible.
2. Do not misplace/ lose your graded assignments. You will need these till the Course is completed.
3. Do not enclose doubts for clarification along with the assignment. If you want to draw our attention to something of urgent/important nature, write to us separately. Give your roll number, name, address, the title of the Course, the number of the assignment, etc. on top of your letter.

INSTRUCTIONS

1. Write your roll number, name, full address and date on top right corner of the first page of your response sheets.
2. Write the Course title, assignment number and the name of the study centre you are attached to, in the center of the first page of your response sheets.

The top of the first page of your response sheets should look like this:

Enrolment No.....
Name.....
Address.....
.....
.....
Date.....

Course Title.....
Assignment No.....
Study Centre.....

Please follow the above format strictly. If you do not follow this format, we will be compelled to return your script to you for re-submission.

3. Read the instructions related to assignments printed in the Programme Guide.
4. **Please note that unless you submit the assignment of a particular Course within the date mentioned for that assignment, you would not be permitted to appear for the term-end examination of that course.**
5. **Submit Section A, B & C of each assignment together, otherwise your assignment would be returned to you without being evaluated.**
