

Course Code : MWG 104

Course Title : Gendered Bodies and Sexualities

Assignment No. : MWG 104/AST/TMA-2024-2025

Maximum Marks : 100

Note: The assignment has two sections. All the sections are compulsory.
Assignments with plagiarized material will not be accepted for evaluation.

(Part I: 40 × 2= 80 marks)

Part I: Attempt **any two** of the following questions and each answer not less than 1000 words.

Q.1. Discuss embodiment as a concept of feminist praxis. Read minimum two research articles or the Self Learning Material (SLM) of MWG 104 to show how embodiment is used to explain concepts related to gendered bodies.

Q.2. Write an essay on the changing notions of parental body with the help of case notes inferred from published reports or with the help of news paper articles.

Q.3. Discuss the construction of the maternal body from a socio-cultural perspective. Use suitable examples from South-Asia to depict varied notions of maternal representation.

(Part II: 5 X 4= 20 marks)

Q.2. Briefly discuss **any four** of the following. For each response, you can have minimum 200 and maximum 250 words.

- a. Body and Technology
- b. Queer Body and Literature
- c. Alienation and Objectification
- d. Male body and Performance
- e. Disability and Motherhood
- f. Human Trafficking and Violence
