2. BACHELOR OF COMMERCE (HONOURS) (BCOMF)

The School of Management Studies proposes to offer Four Years' Bachelor of Commerce (Honours) UG Programme under UGC FYUP-2022. The proposed programme consists of 160 credits i.e. 40 credits per year (20 credits each semester).

The main objectives of the programme are: to impart Multidisciplinary, Holistic, Skill and Vocational based quality commerce and business education to meet the growing demand of the society; to provide skill based education to national and international students; to prepare the students to meet the requirement of the job market/higher education; and, to impart commerce education in line with NEP – 2020.

The discipline is proposing 4 Years UG Degree (Honours) with multiple exits -after successful completion of 1st Year with an additional vocational course of 4 credits **Certificate in Commerce; (with exit)** after successful completion of 2nd Year with an additional vocational course of 4 credits **Diploma in Commerce; (with exit)** after successful completion of 3rd Year-**B.Com (with exit)** and after successful completion of 4th Year-**B.Com (Honours)** or **B.Com (Honours with Research)** as per UGC FYUP-2020.

The above programme is in consonance with the UGC's policy statement, *“the undergraduate degree will be of either 3 or 4-year duration, with multiple exit options within this period, with appropriate certifications, e.g., a UG certificate after completing 1 year in a discipline or field including vocational and professional areas, or a UG diploma after 2 years of study, or a Bachelor's degree after a 3-year programme. The 4-year multidisciplinary Bachelor's programme, however, shall be the preferred option since it allows the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student.”*

The programme can be completed by earning the required number of credits in a minimum period of four years (eight semesters) or in the maximum period of eight years (sixteen semesters).

A credit is equivalent to 30 hours of study time comprising all learning activities (i.e. reading and comprehending the print material, listening to audios, watching videos, attending counseling sessions, teleconferencing and writing assignment responses).

The programme has a mix of different types of courses in each of the eight semesters. However, the total number of credits to study in each semester is 20 credits. Table 2.1 gives an overview of the programme structure showing the distribution of different types of courses across the eight semesters of the programme.

After having known structure of Bachelor of Commerce (Honours) programme and its components, let us now focus on choosing the best way to go through the programme.

3. PLANNING YOUR STUDIES

The Bachelor of Commerce (Honours) programme offers flexibility and openness in the courses and duration for the completion of programmes. You should take full advantage of this flexibility. A little bit of systematic planning is all that is required to realize your goal of completing 160 credits of this

programme within the minimum period of four years. If, for any reason, you are unable to complete the programme within four years, please note that your registration for the programme is valid for eight years and you can get additional two years by applying for readmission.

As already mentioned, each credit of this programme is equivalent to 30 hours of learner study comprising all learning activities (i.e. reading and comprehending the print material, listening to audios, watching videos, attending counselling sessions, teleconferencing and writing assignment responses). This means that you will have to devote approximately 180 hours of study for a six-credit course and 120 study hours for a four credit course. You have to adjust your reading schedule keeping this workload in view. With this schedule, you will be able to complete all courses of the First year. Likewise, in the Second and Third year of the programme, you have an equal number of credits to complete each semester. To complete the programme in the minimum period of four years, you need to be focused. It is therefore helpful to study consistently throughout the year and not plan to speed up before the examinations.

If you are not able to fully devote yourself to the programme, you should set your targets for a particular semester/year. Do the assignments of only those courses for which you plan to appear in the Term End Examination (TEE). Carry over the rest to next year. Again next year, decide your goals for the two semesters of that year so that you could complete your BCOMF programme within the minimum prescribed period of four years. Whenever you decide to complete the previous semesters/years course and have not submitted the Assignments for evaluation, make sure that you attempt the current year's assignment (s) for that course and submit them according to the schedule to be eligible to appear in the TEE (For details see Section 6.1 of this Programme Guide). Through a proper planning, you can complete this programme as per your convenience.

4. FEE STRUCTURE AND SCHEDULE OF PAYMENT

Fee Structure: A sum of `18,000/- is to be paid for the Bachelor of Commerce (Honours) Programme, @ 4,500/year. In the First year, in addition to 4,500/-, plus registration fee and development fee as applicable from time to time. The programme fee should be paid only by means of Debit Card/Credit Card through online mode only <http://ignouadmission.samarth.edu.in>. Fee once paid is not refundable.

The University can revise the programme fee. In that case, the revised fee shall be payable by you as per the schedule of payment notified by the university.

Although the Bachelor of Commerce (Honours) programme is a semester-based programme, registration is done annually. Just as you have registered for the first two semesters at the start of the programme, you will have to re-register for the Second year (third and fourth semesters) and third year (fifth and sixth semesters) and fourth year (seventh and eighth semesters) before the beginning of the academic year as per the schedule given below:

Schedule for Re-Registration

Learners are advised to submit the Re-Registration (RR) forms 'Online' only on the web portal www.ignou.ac.in as per schedule notified by the University from time to time.

The programme fee has to be paid at the beginning of each year by online mode only by means of Debit Card/Credit Card through the portal <http://ignouadmission.samarth.edu.in>

Timely payment of the programme fees is the responsibility of the learner. The learner is expected to remit the fees as early as possible without waiting for the last date. Non-payment of fee would result

in the withdrawal of access to study material and permission to write the examinations. It may also result in the cancellation of admission. In case any learner willfully appears in an examination without proper registration for a course, disciplinary action may be taken against him or her as per rules of the University.

5. INSTRUCTIONAL SYSTEM

The methodology of instruction adopted by the University is different from that in the conventional universities. The Open University system is more learner-oriented in which the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance rather than face-to-face communication.

The University follows a multi-media approach for instruction. It comprises of

- Self-Learning Material
- Audio-video programmes transmitted through radio and television
- Teleconferencing sessions
- Face-to-face counselling at the Study Centres by the Academic Counsellors
- Assignments/ Tutorials/ Practicals/ Dissertation/ Project work

5.1 Course Material

Course material, in print or e-book format, is the primary form of instruction. You should concentrate mainly on the course materials that are sent to you in the form of printed books or e-books accessible on e-gyankosh. The course material is sufficient to write assignment responses and prepare for the Term End Examination (TEE). We would, however, suggest you to read additional material, especially those given in the Suggested Reading section of the course material.

The course material prepared by the University is self-learning in nature. Each course is printed in the form of a single book or e-book. The course is divided into a number of **Blocks**. A four credit course generally has four to five Blocks. Each Block consists of Units (three to five units), approximately 14 to 20 units in total for a 4 credits course. Similarly a six credits course has 5-6 blocks having approximately 20 to 24 units. Normally, the **Units** covered in a Block have a thematic unity. The introduction section of the book provides an overview of the course, its objectives, guidelines for studying the material, etc. The Block introduction explains the coverage of the Block as a whole as well as the coverage of each Unit in that Block.

Each Unit is structured in a way to facilitate self-study by you and begins with learning **Objectives** which give you an idea what is expected to learn from the Unit. The **Introduction** provides an overview of the major theme of the unit. An attempt is made to forge a link of the present Unit with the topics of the previous Units. This is followed by the main text, which is divided into various sections and subsections. At the end of each section, the questions for self-evaluation have been provided under the heading of **Check Your Progress**. You should attempt this part, as it will help you in assessing the immediate understanding of the topic. Questions in Check Your Progress are for your practice only and you should not submit answers to these questions to the University for assessment. You should try to write the answers in your own words and not just copy from the course material.

The section **Let Us Sum Up/Summary/Conclusion** gives a brief account of what has been discussed in the Unit. This summary enables you to recall the main points covered in the Unit. Each unit ends with **References** which gives the list of books and articles that have been consulted to prepare the unit.

In addition, at the end of each Block/Course, a list of **Suggested Readings** is given. Some of these books listed in this section will be available in the Study Centre library.

In order to comprehend the SLMs, read the Units carefully and note down the important points. You can use the space in the margin of the printed pages for making notes and writing your comments. While reading the Units, you may mark the difficult words and look for the meaning of such words in a dictionary. If you still do not understand something, consult your counsellor during the face-to-face sessions at the Study Centre for clarification.

Despatch of Study Material

The despatch of study material starts once the online process of registration is complete. You can expect to receive your study material within one month of closing the registration for the programme. If any course material is missing or you receive wrong or defective material, please address your query to the Regional Centre or write to the Student Services Centre at ssc@ignou.ac.in.

For the students who have applied for digitized version, detailed information is available on the IGNOU website.

5.2 Academic Counselling

In distance education, face-to-face contact between the learners and their academic tutors/ counsellors is an important activity. The purpose of such an interaction is to answer your questions and clarify your doubts, which may not be possible through any other means of communication. It is also intended to provide you an opportunity to meet fellow learners.

There are experienced academic counsellors at the Study Centres to provide you the academic counselling and guidance in the courses that you have selected for study. The academic counselling sessions for each of the courses will be held at suitable intervals throughout the academic session. Attendance in the academic counselling sessions for theory courses is not compulsory, but we would suggest you to attend these sessions as they may be useful in certain respects, such as to share your views on the subject with teachers and fellow learners, comprehend some of the complex ideas or difficult issues, and get clarifications for any doubts. However, it is compulsory to attend practical sessions for the courses that have practicals or laboratory work.

Face-to-face counselling will be provided to you at the Study Centre assigned to you. You should note that the academic counselling sessions will be very different from the usual classroom teaching or lectures. Academic counsellors are not supposed to deliver lectures in the conventional form, instead they try to help you to overcome difficulties, which you face while studying the courses. In these sessions, you must look into the subject-based difficulties and any other issues arising out of such difficulties. Besides, some of the audio and video material that is available at that time will be played in the counselling sessions. The University normally organizes six to seven academic counselling sessions for a 4-credits and nine to ten sessions for a 6 credits course. In case there are less than 10 students in a Study Centre, then intensive counselling sessions will be held which essentially means that 40 per cent of the prescribed counselling sessions will be conducted within a week's time.

Before you go to attend the academic counselling sessions, it will be helpful if before hand you go through your course material and note down the points to be discussed. Unless you have gone through the Units, counseling may not be of much help. Try to concentrate on relevant and important issues. Try to understand each other's points of view. You may also establish personal contact with your fellow participants to get mutual help for academic purposes. Try to get the maximum possible help from your academic counsellors.

5.3 Study Centres

To provide effective student support, IGNOU has set up a number of Study Centres all over the country. You will be allotted one of these Study Centres taking into consideration your place of residence or work. However, each Study Centre can handle only a limited number of students and despite our best efforts, it may not always be possible to allot the Study Centre of your choice. The particulars regarding the Study Centre to which you are assigned will be communicated to you.

Every Study Centre will have:

- A Coordinator who will coordinate different activities at the centre.
- An Assistant Coordinator and other support staff.
- Academic Counsellors in different courses to provide counselling and guidance to you in the courses you have chosen.

A Study Centre will have six major functions:

Counselling: Face-to-face counselling for the courses will be provided at the Study Centres. As mentioned earlier, there will be nine to ten academic counselling sessions for a 6-credits course and six to seven sessions for a 4-credits course.

The schedule of the counselling sessions will be communicated to you by the Coordinator of your Study Centre.

Evaluation of Assignments: Tutor Marked Assignments (TMA) will be evaluated by the Academic Counsellors appointed for different courses at the Study Centre. These assignments will be returned to you with tutor's comments and marks obtained. These comments will help you in your studies.

Library: For each course, some of the books suggested under 'Suggested Readings' will be available in the Study Centre Library. All audio and video tapes are also available in the library.

Information and Advice: At the Study Centre, you will get relevant information regarding the courses offered by the University, academic counselling schedules, examination schedule, etc. You will also get guidance in choosing your elective and application oriented courses.

Audio-Video Facilities: The Study Centre is equipped with audio-video facilities to help you make use of the audio and video materials prepared for different courses. Media notes describing the contents of each programme are also available at the Study Centre. This will help you to know the contents of each programme.

Interaction with Fellow-learners: The Study Centre provides you an opportunity to interact with the fellow learners.

Study Centre is the contact point for you. The University cannot send all the communication to all the students individually. All important information is communicated to the Coordinators of the Study Centres and Regional Directors. The Coordinators would display a copy of such important circular/notification on the notice board of the Study Centre for the benefit of all IGNOU learners. You are, therefore, advised to get in touch with your Study Centre for day-to-day information about assignments, submission of examination forms, TEE date-sheet, declaration of result, etc.

5.4 Interactive Radio Counselling

The University has the facility of interactive counselling through All India Radio network all over India. You can participate in it by tuning in to your area Radio station. Experts from various discipline areas are available for this counselling. Students can put across their questions to these experts by using the telephone. The telephone numbers are announced by the respective Radio Stations. This counselling is available on all days. The topic for each session of the interactive radio programme is available in the Gyanvani section of the University website.

5.5 Gyan Darshan

IGNOU in collaboration with Doordarshan now has an exclusive Educational TV Channel called Gyan Darshan. It is available through cable TV network. The channel telecasts educational programmes for 24 hours every day. Live telecast is from 3-5 p.m. and repeat from 8-10 p.m. Apart from programmes of IGNOU, it will have educational programmes produced by various national educational institutions. You can try to get access to it through your cable operator. The schedule of programmes and live sessions is available at the study centres one month in advance. You can also get the schedule of programmes and live sessions from the University website

Currently, the Gyandarshan Channel is available on the following DTH platforms:

S. No.	DTH Platform	TV Channel No
1.	Airtel	442
2.	Tata Sky	755
3.	SunDirect	596
4.	Den	526
5.	In Digital	297
6.	Hathway	473

5.6 Gyan Vani

Gyan Vani is an educational FM Radio network providing programmes covering different aspects and levels of education including Primary and Secondary Education, Adult Education, Technical and Vocational Education, Higher Education and Extension Education. There are programmes on various aspects and courses of Bachelor of Commerce. The schedule of the programmes is uploaded on the University website.

5.7 Teleconference/EDUSAT

To reach our learners spread in different parts of the country, we take the help of teleconferencing. These sessions are conducted from Delhi. The students can attend these sessions at the regional centres and specified study centres of IGNOU. It is a one way video and two way audio facility. The teleconferencing is available on Gyan Darshan-2 and Edusat. The time-slot for B.ComF programmes will be as per Electronic Media Production Centre (EMPC) schedule. The faculty members from Delhi and other experts as resource persons participate in these sessions. You can put your problems and questions to these experts through the telephone available at receiving centres. These will help in resolving your queries related to courses and other general information pertaining to the Bachelor of Commerce (Honours)(BCOMF) programme.

6. EVALUATION

The system of evaluation followed by the University is also different from that of the conventional universities. IGNOU has a multitier system of evaluation.

- Self-assessment exercises within each unit of study.
- Continuous evaluation mainly through assignments which are tutor-marked, practical assignments and seminar/ workshops/extended contact programmes, etc. depending on the nature of the course opted for.
- The Term End Examinations.
- Project/Practical work depending upon the requirement of the course.

The evaluation consists of two parts: i) continuous evaluation through assignments, and ii) term end examination. In the final result, all the assignments of a course carry 30% weightage while

70% weightage is given to the Term End Examination (TEE). University follows a grading system for continuous evaluation as well as term-end examination. It is done on a ten point scale using the letter grades as given below: The University has decided to provide numerical marking also in the grade card and award of division for the B.ComF Degree.

Letter Grade	Numerical Grade	Percentage
O (Outstanding)	10	> 85
A+ (Excellent)	9	> 75 to < 85
A (Very Good)	8	> 65 to < 75

C (Average)	5	> 40 to < 50

You are required to score at least 35% marks (Grade D) in both continuous evaluation (assignments) as well as the term-end examination of each course. In the overall computation also, you must get at least 35% marks (Grade D) in each course to claim the BCOMF degree. The scores of the continuous evaluation and term-end examination are not complementary to each other for qualifying a course.

Students who do not qualify in the term-end examination are allowed to take up the Term End Examination in the next year. It means you can take the TEE of the first year courses in the second year of your study. But you can appear in the examination for not more than 48 credits in one TEE. Similarly, the first and second year courses can be carried over to the third year.

6.1 Assignments

Assignments constitute the continuous evaluation. **The marks that you secure in the assignments will be counted in your final result.** As mentioned earlier, an assignment of a course carries 30% weightage. You are therefore advised to take your assignment seriously.

For each course of this programme, you have to do two to three Tutor Marked Assignments (TMAs) depending upon the nature of the course. The TMA for each semester can be downloaded from the Student Zone of the University website.

You have to complete the assignments within the due dates specified in the assignment booklet. **You will not be allowed to appear for the term-end examination for any course if you do not submit the assignment in time for that course.** If you appear in term-end examination without submitting the assignments, the result of the term-end examination is liable to be cancelled.

Ensure that your assignment responses are complete in all respects. Before submission, you should ensure that you have answered all the questions in all assignments. Incomplete assignment responses may affect your grades adversely.

The main purpose of TMA is to test your comprehension of the learning materials you receive from IGNOU and also to help you get through the courses. The evaluators/academic counsellors after correcting the assignments return them back to you with their comments and marks. The comments will guide you in your study and help in improving it. It is therefore important that you collect the evaluated TMA along with a copy of the assessment sheet containing the comments of the evaluator on your performance.

The content provided in the printed course materials should be sufficient for answering the assignments. Please do not worry about the non-availability of extra reading materials for working on the assignments. However, if you have access to other books, you may make use of them. The assignments are designed in such a way as to help you concentrate mainly on the course material and use your personal experience.

You have to submit your assignment response sheets to the Coordinator of the Study Centre assigned to you or at <https://webservice.ignou.ac.in/assignments>. For your own record, retain a copy of all the assignment responses which you submit to the Coordinator. If you do not get back your duly evaluated tutor marked assignments along with a copy of the assessment sheet containing comments of the evaluator on your assignment within a month after submission, please try to get it personally from your Study Centre. This may help you to improve upon future assignments.

Keep duplicate copies of assignment responses of TMAs submitted to the Study Centres. They may be required to be produced at Student Evaluation Division on demand. Also maintain an account of the corrected assignment responses received by you after evaluation. This will help you to represent your case to the University in case any problem arises.

If you do not get a pass grade in any assignment, you have to submit it again. Get fresh assignments from the Student Zone tab of the University website. However, once you get the pass grade in an assignment, you cannot re-submit it for improvement of grade. Assignments are not subject to re-evaluation except for factual errors, if any, committed by the evaluator. The discrepancy noticed by you in the evaluated assignments should be brought to the notice of the Coordinator of the Study Centre, so that the correct score is forwarded by him/her to the Student Evaluation Division at Headquarters.

In case you find that the score indicated in the assignment sheet of your Tutor Marked Assignment has not been correctly reflected or is not entered in your grade card, you are advised to contact the Coordinator of your Study Centre with a request to forward the correct award list to the Student Evaluation Division at the Headquarters.

Do not enclose or express doubts for clarification, if any, about study material or assignment along with the assignment. **Send your doubts in a separate cover to the Director of the concerned School**

at IGNOU, Maidan Garhi, New Delhi - 110068 giving your complete enrolment number, name, address, title of the Course, and the number of the Unit or the assignment, etc. on top of your letter.

SPECIFIC INSTRUCTIONS FOR TUTOR MARKED ASSIGNMENTS (TMA)

- 1) Write your Enrolment Number, Name, Full Address, Signature and Date on the top right hand corner of the first page of your response sheet.
- 2) Write the Programme Title, Course Code, Course Title, Assignment Code and Name of your Study Centre on the left hand corner of the first page of your response sheet.

Course Code and Assignment Code may be reproduced from the assignment.

The top of the first page of your response sheet should look like this:

ENROLMENT NO.:				
PROGRAMME TITLE	:	NAME :
COURSE CODE	:	ADDRESS :
			
COURSE TITLE	:
ASSIGNMENT CODE	:	SIGNATURE:
STUDY CENTRE	:	DATE :

- 3) Read the assignments carefully and follow the specific instructions, if any, given on the assignment itself about the subject matter or its presentation.
- 4) Go through the Units on which the assignments are based. Make some points regarding the question and then rearrange those points in a logical order and draw up a rough outline of your answer. While answering an essay type question, give adequate attention to introduction and conclusion. The introduction must provide a brief interpretation of the question and how you propose to develop it. The conclusion must summarise your response to the question. Make sure that the answer is logical and coherent, and has clear connections between sentences and paragraphs. The answer should be relevant to the question given in the assignment. Make sure that you have attempted all the main points of the question. Once you are satisfied with your answer, write down the final version neatly and underline the points you wish to emphasise. While solving numerical problems, use proper format and give working notes wherever necessary.
- 5) Use only foolscap size paper for your response and tie all the pages carefully. Avoid using very thin paper. Allow a 4 cm margin on the left and at least 4 lines in between each answer. This may facilitate the evaluator to write useful comments in the margin at appropriate places.
- 6) Write the responses in your own hand. Do not print or type the answers. Do not copy your answers from the Units/Blocks sent to you by the University. It is advised to write your answers in your own words as it will help in grasping the study material.
- 7) Do not copy from the response sheets of other students. If copying is noticed, the assignment may be rejected.
- 8) Write each assignment separately. All the assignments should not be written in continuity.

- 9) Write the question number with each answer.
- 10) The completed assignment should be submitted to the Coordinator of the Study Centre allotted to you. TMAs submitted at any other place will not be evaluated.
- 11) After submitting the TMA, get the acknowledgement from the Coordinator on the prescribed assignment remittance-cum-acknowledgement card.
- 12) In case you have requested for a change of Study Centre, you should submit your TMA only to the original Study Centre until the change of Study Centre is notified by the University.
- 13) If you find that there is any factual error in evaluation of your assignments e.g. any portion of your assignment response has not been evaluated or the total of score recorded on your assignment response is incorrect, you should approach the Coordinator of your study centre for correction and transmission of correct score to the headquarters.

6.2 Term End Examination

As stated earlier, the term-end examination is the major component of the evaluation system and it carries 70% weightage in the final result.

You must fill in the Term End Examination form online <http://exam.ignou.ac.in> before the last dates i.e. 31st March for June exam and 30th September for December exam.

The University conducts term end examinations twice a year i.e., in June and December. You can take the term-end examination (TEE) only after completing one year of study. The TEE for the 1st, 2nd and 3rd year will be conducted at the end of each year. The TEE for semesters 1 and 2 will be held together at the end of the first year. Similarly, in the second and third years of the programme, the TEE for the third and fourth semesters (second year course) and for fifth and sixth semesters (third year course) will be conducted together. If you are unable to appear in any TEE, you may appear in the next December or June examination.

A learner is permitted to appear in the TEE, subject to the following conditions:-

Registration for the courses is valid and not time barred.

- Required number of assignments in the course has been submitted by the due date.
- Minimum time to pursue these courses as per the provision of the programme has been completed.
- Examination fee is paid for all the courses in which the learner is writing the examination.

In the case of non-compliance of any of the above conditions, the result of all such courses is liable to be withheld by the University.

In case you fail to get a pass score (35% marks) in the Term End Examination, you will have to reappear in the next Term End Examination for that course within the total span of the programme i.e. eight years.

Submission of Online Examination Form

The learners are required to fill in the Examination form to appear in the TEE each time i.e. for every exam (June/December). Only one form is to be submitted online for all the courses that a learner plans to take in a TEE. To avoid discrepancies in filling up examination forms and avoid hardship in appearing in the TEE, you are advised to:

- 1) Remain in touch with the Study Centre/ Regional Centre/Student Evaluation Division for change in schedule of submission of examination form.
- 2) Fill up all the particulars carefully and properly in the examination form to avoid rejection/ delay in processing of the form.
- 3) Retain proof of submission of the examination form till you download your Hall Ticket.

Examination Fee and Mode of Payment

The schedule for submission of Term End Examination Form is available at the IGNOU website during each session.

Examination Fee

₹ 150/- per theory course

₹ 150/- per practical course

Mode of Payment

Credit Card/Debit Card/Net Banking

Examination fee once paid is neither refundable nor adjustable even if the learner fails to appear in the examination.

Hall Ticket for the Term End Examination

No hall ticket shall be dispatched to the examinees. Hall Tickets of all examinees are uploaded on the University website 7-10 days before the commencement of the Term End Examinations.

Students are advised to take the print out of the Hall Ticket from the University website [http:// www.ignou.ac.in/ignou/studentzone/result/6](http://www.ignou.ac.in/ignou/studentzone/result/6) after entering the enrolment number and name of the programme of study, and report at the examination centre along with the Identity Card issued by the University attested by the Director of the Regional Centre. Without a valid IGNOU Student ID Card issued by the Regional Centre/University, examinees will not be permitted to appear in the examination.

Every student must bring his/her identity card for appearing in the TEE along with the Hall Ticket. Students will be allowed to appear in the TEE for those courses only for which registration is valid and the prescribed minimum duration of study is completed. In case, any learner has misplaced the Identity Card issued by the University, it is mandatory to apply for a duplicate Identity Card to the Regional Centre concerned well before commencement of the examinations. The learner without valid ID card will not be allowed to enter the Examination Centre premises.

Examination Date Sheet

Examination date sheets (i.e. schedule which indicates the date and time of examination for each course) are sent to all the Study Centres a month in advance. These are printed in IGNOU Newsletters and posted. The datasheet is also displayed on www.ignou.ac.in. You are advised to see whether there is any clash in the examination dates of the courses you wish to take, i.e. Examinations of any two courses you wish to take are scheduled on the same day and at the same time. If there is any clash, you are advised to take the TEE for one course and the other course in the next TEE.

Declaration of the Result

It is your duty to check whether you are registered for a course and whether you are eligible to appear

for that examination. If you neglect this and take the examination without being eligible for it, your result will be cancelled.

All efforts are made to declare the results well before the deadline for submission of Examination Form for the next TEE. In case, result for a course is not declared, you should fill in the Examination Form for the next TEE.

Early Declaration of the Result

In order to facilitate learners who have secured admission for higher studies or got selected for employment, etc. and are required to produce statement of marks/grade cards by a specified date, the University provides the facility for getting the result declared at an early date. For this purpose, the learner must apply for early processing of his/her answer scripts and declaration of the result. However, such a student is required to apply in a prescribed form (available on the University website) along with (i) fee of `1000/- per course through demand draft drawn in favour of IGNOU and payable at New Delhi, and (ii) attested photocopy of the admission/ employment offer. You must submit the request for early declaration of the result before the commencement of TEE, that is, before June 1st or December 1st for June and December TEE respectively. The University in such cases will make arrangement for early processing of answer scripts and declare the result as a special case possibly within a month's time from the conduct of examination.

Re-Evaluation of Examination Scripts

Students who are not satisfied with the marks/grade awarded to them in the TEE may apply for re-evaluation in the prescribed form within one month from the date of declaration of the results, i.e. the date on which results are made available on the University website on payment of `750/- per course to be paid online. The better of the two scores of original marks/grade and marks/ grade after re-evaluation will be considered and updated in the student's record.

Re-evaluation is permissible in TEE only and not in practical, project report, workshop, assignment, tutorials, seminar, etc. A sample application form with rules and regulations for this purpose is available at the University's website.

Improvement in Division/Class

Students of the Bachelor degree programme who have completed the programme and wish to improve their Division / Class may do so by reappearing in TEE. Only those students of the programme who fall short of less than 2% marks to secure 2nd or 1st division are eligible for reexamination.

Students may apply in the prescribed form from 1st to 30th April for June TEE and from 1st to 31st October for December TEE along with a fee of `750/- per course by means of a demand draft drawn in favour of IGNOU and payable at New Delhi.

Improvement is permissible in TEE only and not in Practicals /Lab courses, Project, Workshop, Assignment, Seminar, tutorials, etc.

Students wishing to improve their marks will have to apply within six-months from the date of issue of final statement of marks/grade card to them, subject to the condition that their registration for the programme/course being applied for improvement, is valid till the next TEE in which they wish to appear for improvement. Rules and regulations in detail for this purpose are available at the University's website.

Obtaining Photocopy of the Answer Scripts: After declaration of the result, if the learner is not satisfied with the marks awarded, he or she can request the University for obtaining Photocopy of the

Answer Scripts on payment of `100/- per course. The request for obtaining Photocopy of the Answer Scripts by the student must be made within 45 days from the date of declaration of the result to the Student Evaluation Division, IGNOU, New Delhi in the prescribed format along with a fee of `100/- per course to be paid online.

While communicating with the University regarding examinations, please write your enrolment number and complete address clearly. In the absence of such details, the Student Evaluation Division will not be able to attend to your problems.
