If valid reasons are found, the Doctoral Committee recommends the extension of time period. The recommendation is placed before the Vice Chancellor by the Research Unit. However, in the case of an extension being granted by the Vice Chancellor, no additional fee is charged from the candidate for the extra period. Extension in the registration period for Post Graduate Programmes of the University requires the candidate to pay fee for the extended period of study.</p> <p>In keeping with the general policy of the University, it is proposed to charge pro rata fee @ of annual fee for an extension of one year and 50% of annual fee for an extension of six months and so on.</p> <p>The proposal is submitted for the consideration and approval of the Research Council Standing Committee.</p>
RCSC 11.34.2	The Research Council Standing Committee considered the details and approved the pro rata fee for the extended period beyond the stipulated time as proposed above.
